### **combit Easter Special: Easter Egg Hunt for Discounts on Website**

**Constance/Germany, 03/23/2010** – Around this years Easter holidays, more precisely from March 29th to April 11th, customers can hunt for Easter eggs with different discounts on the website of German software manufacturer combit. The sales promotion applies to the regular list price of development component List & Label and CRM solution combit Relationship Manager.

„As in the real world, the most wanted Easter eggs have been hidden thoroughly“, combit CEO Christiane Koerdel explains the playful sales discount with a wink in her eye and continues: “It’s worth looking closely at every corner of our website. “
